The information gathered from these forms is used to tailor our radio stations & websites to best suit our users & listeners and for our own demographic research. We also use general demographic information (such as age and gender) for the purpose of defining our overall user profile to advertisers.

We will not send unsolicited e-mail to our users. User e-mail addresses are used for the purpose of feedback replies by our staff and station updates if requested. Don't e-mail me.

Online or offline contest entrants and those who may be chosen for prizes from our database acknowledge our right to publish and/or broadcast the winner's picture, name, address, voices, and statements without compensation other than the prizes awarded.
